

CERTIFICATE

NO.: BC-004-23-10

The expert in accordance with § 29b BImSchG (Federal Immission Control Act) and occupational safety/SMS auditor

Dipl.-Ing. (FH) Reiner Simnacher (SIS)

Virchowstr. 16/1, 89075 Ulm

certifies that

the company

Betz-Chrom GmbH

Am Haag 11

82166 Gräfelfing

at the operating locations Gräfelfing and Maisach has introduced an occupational health and safety management system (OH&S) which is applied successfully.

An audit on 17.10.2023, documented in an audit report, has provided evidence, that the requirements according DIN ISO 45001:2018 occupational health and safety management system are met.

In conjunction with an annual surveillance audit the certificate is valid until 10/2026.

The test basis was the IM manual of Betz-Chrom GmbH in the version valid at the time of the audit.

Ulm, 19.10.2023
